The program was free of commercial bias.

List a minimum of two things you are going to change as a result of what you have learned.

1. Assessing the teeth first before lip filler.
2. Measurements of the lip for ideal positioning.
3. Will try restylane silk for vermilion border instead of Juvederm products due to the less need swelling expected.
4. Will observe the length of the nasocolumnar area more precisely using the desired normal measurements given in this ppt.
5. I am a resident doctor. All techniques discussed here will help shape how I continue to progress during my surgical training.
6. Will evaluate dental anatomy when looking at lip filler patients.
7. Will refer some patients to surgeons who do lip surgeries.
8. Try different filler types.
9. Use lip lift technique more for lip eversion.
10. Current fellow applying it to overall education.

Describe the barriers anticipated when implementing the above changes.

1. Obtaining advanced live training for gaining more expertise.
2. Not having access to all the products suggested during the course.

Do you have any suggestions for future topics to support and/or expand on what learned at this activity?

1. Demonstrations.
2. Non-surgical jowl lifting beyond cheek augmentation.
3. Techniques to avoid tip droop in rhinoplasties.
4. Sculptra treatment for skin volume rejuvenation.
5. Video lecture on keys of mastopexy aug.

How could this educational activity be enhanced?

1. We are all experienced surgeons.
2. Parameters need to be more in-depth and advanced.
3. Time is short, but a short segment of a demo with his special techniques using filler for various enhancements.
4. Interactive questions.
5. If possible, short videos to show the techniques discussed would be very educational.
6. It was great the way it was.
7. A few videos of the specific technique for suturing would be nice, including the application of dermabond and sutures.

Additional comments

1. Thank you for the opportunity to learn more and enhance my ability to reach ideal aesthetic enhancements.
2. Wonderful lecture. Kept me very engaged the entire time.
3. Great lecture.
